President’s Message

With the summer of 2010 winding down and the settling down from the Labor Day weekend celebrations, the Federation is full swing into its 70th year. We are very excited at all the prospects available for the Federation to be a conduit for connecting communities on countywide issues. To that end, we welcome the addition of three new homeowners associations over the summer and continuously welcome new members to join so that we can create a more meaningful connection in our communities.

We will be hosting Dr. Dale at our Thursday, September 16 membership meeting in time to discuss “Back to School” matters. We hope you will join us at Braddock Hall at 7:30 pm for this pertinent programming. We have some very important countywide issues coming up in the months ahead such as Redistricting Virginia and the Chesapeake Bay Amendment Review. As the Federation gets ready to address these issues, we will post them on our website. Your feedback will be invaluable in amplifying our voice on these important issues. We hope to hear from you and hope you will stop by during our meetings.

In pursuit of our communications endeavors, we have revamped our website which includes the 2010 Federation contacts. We have put together a great internship package and are working with various organizations to provide an opportunity to a promising student in the field of online communications and marketing. We would greatly appreciate your recommending us to a student seeking an internship by emailing to fedwebmaster2010@fairfaxfederation.org with “Internship Inquiry” on the subject line. We are also looking forward to our launch on Facebook that will be primarily used for event information and invitation. Our website and newsletter will continue to be our primary communication vehicles.

These are difficult times for many of our communities and yet these are the opportune moments to make a meaningful difference in the lives of many. We hope you will Join and guide us in advocating on countywide issues of common concern to Fairfax County residents to local, state and federal officials.

Best wishes to you and your community.

Federation Organization

The Federation has 10 issue-oriented committees (e.g., County Budget), 7 representatives on each of the County Supervisory Districts that have district committees (e.g., Providence District), and 15 positions as representatives on County committees (e.g., Affordable Housing). The following paragraphs give a brief description of two of the committees. We are always looking for more committee members. Consider volunteering.

The Federation’s Education Committee is comprised of eight members with diverse and broad background’s in education. a teacher and former teachers, a former military trainer, chair of two Fairfax Country District Education Committees, present presidents of PTAs and a member of the Fairfax County PTA Council, a representative from the Fairfax Education Coalition, those with personal experiences on school boards and with student with disabilities, a student mentor, and others active as volunteers/observers on school programs. The Committee meets every other month except July and conducts extensive discussion and document review by e-mail. During the year, the Committee usually addresses an educational topic at the September and May meetings, and devotes the other three meetings principally to review and comment on the FCPS proposed budget. The FCPS budget for FY 2012 will again be the major issue addressed by the Education Committee, as the July FY2011 budget forecast projected a $75M shortfall if the funds provided by the County are not increased. This year’s budget will also be complicated by the fact that federal stimulus money ends this year and FCPS must begin to replenish the State retirement funds which were reduced this year with an unrealistic percentage contribution.

At our September meeting, the Committee will meet with the Assistant Superintendent of Information Technology to discuss eCart, ISIS and the new platform on which both FCPS and County will co-exist upon using the same human resources, financial, and warehousing programs with expected savings to be generated. At our November meeting in addition to early discussion of the FCPS budget, the Committee will review our final input into the Federation’s Legislative Program, especially those desired General Assembly educational positions. Then, in the spring, the Committee will provide its input into the County budget, especially on those school related County funds activities.

The Federation continues to have active representation on several Fairfax County Public School committees including the School Board’s Advisory Committees on Advanced Academic Programs, Human Relations, and Students with Disabilities, and on the FCPS Superintendent’s Business and Community Advisory Committee.

The Land Use Committee covers from Land-Use Planning to Land Use, including Homeowner Association issues of Countywide importance. Most recently the Committee has been involved with the Tysons Corner Planning, but most intensely by the chairman’s County-appointed position on the Reston Comprehensive Plan Special Study Task Force, planning development of Reston in the area along the Dulles Toll Road. Our most significant contribution to the Reston plan has been the raising and analyzing of the issue of balancing non-residential development with residential development using, in part, the developmental statistics we derived for Ballston-Rosslyn. We also analyzed the transportation requirements associated with imbalance.

Vehicle Registration Fee in 2010 Personal Property

2010 Fairfax County Personal Property Tax bills are being mailed out to residents during the next several weeks and are due on October 5. The bill includes new registration fees (see below) for vehicles normally located in the county as of July 1, 2010. There is no county windshield decal to purchase or display. Residents living within the towns of Clifton, Herndon and Vienna have additional decal and/or fee requirements; contact your respective town for more information.

Fairfax County residents, including town residents, must register vehicles with the Department of Tax Administration if the vehicles are normally garaged or parked in Fairfax County, even if the vehicle is registered in another state. Failure to locally register vehicles on time will result in additional penalties.

Fees:
$18 for motorcycles.
$23 for any taxi or other vehicle that is kept for rent or hire operated by a chauffeur for the transportation of passengers. If the vehicle weighs more than 4,000 pounds, the fee is $28.
$23 for a bus used exclusively for transportation to and from church school, for the purpose of religious instruction, or church, for the purpose of divine worship. If the empty vehicle weighs more than 4,000 pounds, the fee is $28.
$33 for all other vehicles. If the vehicle weighs more than 4000 pounds, the fee is $38.

For more information, please visit the Department of Tax Administration online at www.fairfaxcounty.gov/ata/cartax_home.htm or by calling 703-222-8234 (TTY 703-222-7594)

Horticultural Help Desk

Volunteers from the Fairfax County Master Gardener Association and Green Spring master gardeners staff a year-round horticulture help desk to answer home gardeners’ questions and help solve gardening problems. During the growing season (April through October) they are on duty from Monday through Friday, from 9:30 am to 12:30 pm. In November through March, the desk is staffed 9:30-12:30 on Tuesday and Thursday mornings only.

Contact them anytime by voice mail at (703) 324-8556 or by email at mgfairfax@vt.edu. Please clearly explain your question or problem, and they will conduct any needed research before getting back to you. During their duty hours, residents can also stop by their desk in the VCE Office on the 10th floor of the Pennino Building in the Fairfax County Government Center.
