

Fairfax County Federation of Citizens Associations
Board Meeting of January 6, 2005
NOTES

The meeting of the FCFCA board was held at the Packard Center at 7:30 p.m. (Attendance list is attached.)

The Federation Board members suggested that Carol Hawn, President, appoint the 2nd VP to be responsible for ensuring that Board members get information, as appropriate, to our Webmaster (M. Pierce) for posting to our web site because Merrily can't post information she doesn't have!

The Board also decided the pecking order for the COY banquet speaker.

It also planned the programs for most of the membership meetings through June.
