New Business and Miscellaneous Business

- Resolution from Merrily Peirce that the "Board of Supervisors again proclaim September as 'Fairfax Prepares Month' in partnership with the CCC":

Whereas, the Federation was a founding member of the County's Citizen Corps Council in 2003, and

Whereas, since that time, the Federation has played an important role on the Council in sponsoring programs and initiatives aimed at ensuring that County homeowner and civic associations are aware of the County's volunteer emergency preparedness and response programs and other volunteer opportunities that the Council promotes, and

Whereas, in 2005, the Federation led the way in encouraging the Council and the County to establish September as "Fairfax Prepares Month" in cooperation with National and State CCC efforts, and

Whereas, the Federation would like to request that the Board of Supervisors again proclaim September as "Fairfax Prepares Month" in partnership with the CCC at the Board's August 6 meeting to promote the Council's Emergency Preparedness programs to all County residents.
