Federation Board of Directors Meeting Agenda

7:30 pm, Thursday, 25 June 2009

- John Fee will update pages 1-18 to include "mission statements" for each committee.
- I hope that John and I can come up with a BEGINNING DRAFT for each committee and then forward that draft to the current committee chairs for improvements
- **Thinning of Federation storage** - Jeff
 - The Board needs to review our remaining files for retention purposes: Task - after each board meeting the President and Corresponding Secretary (and whoever else would like to join us) go through one file cabinet drawer to determine what to retain, archive or recycle.
- **Resolution on support for a transit study** - Fred
 - At last month's board meeting Fred was asked to craft a resolution on support for a transit study to be presented to the membership, but after repeated and heated email discussions no consensus could be reached.
 - We will consider the last proposed resolution and start from there.
- **Federation Business Cards** (Repeat from last month)- (Jeff)
 - Do such things exist? No, Jeff prints his own using the Federation banner from our home page. See examples at
<http://www.fcfa.org/pdf/FairfaxFederationBusinessCard.pdf>
