Dear Chairman Bulova and Supervisor McKay:

November 20, 2012

Thank you for this opportunity to provide you with the Federation's 2013 Legislative Program. We look forward to presenting our Program to the Fairfax County Delegation to Richmond in a few weeks and appreciate your advance consideration of our work in our common endeavor to make the best decisions for a better Fairfax County.

We have put together a robust and thoughtful Program from which we have selected 8 priorities that we will be focusing on. The priorities are: Establishing Statutory Late Fee Authority, Early Education & Public School Calendar, Mandatory Renewable Portfolio Standard, Maintain the Existing Ban on Uranium Mining, Health Care Exchanges, Metro and Transportation Funding, and Increased Accessibility in Public Safety. Although, we have selected these 8 priorities for an aggressive focus, we will work through our entire 2013 Legislative Program. In addition, we look forward to staying engaged in the Board's Legislative Program and with various community stakeholder organizations. Please let me know if you have any questions.

I would like to take this opportunity to add to our continued appreciation of the excellent Fairfax County citizen volunteer and invite you and members of the Board to make nominations for the 2012 Fairfax County Citizen of the Year. The Fairfax County Citizen of the Year is that individual who has made noteworthy and significant contributions to better the lives of Fairfax County residents in their volunteer capacity. Nomination will be open on December 1, 2012 and more information is available on our website at www.fairfaxfederation.org.

Thank you for your outreach to the community on this important process. We do better when we work together. On behalf of the Federation, I wish you and our community a happy and relaxing Thanksgiving Holiday.

Best regards,

Tania Hossain, President
