### New Business:

**Moderated Discussion:** Every volunteer organization depends on its membership and their participation in its purpose. The Federation has since 1940 been robust and enduring through the swings of economic pride and pain, polarized citizenship beliefs, and now pandemic fear. This is the perfect time to put things in perspective. Tonight we circle the wagons to discuss your opinions and suggestions on the Federation's performance of its mission, on how the Federation can better support its membership, and on the concept of community volunteerism.
